

Exhibitor Sponsorship for Annual TALWD Conference

Thank you for considering a sponsorship with TALWD! Your support helps local WIC Directors from across Texas come together to learn, connect, and strengthen the program that serves families statewide.

Sponsorship is also a great way to grow your visibility. Your organization gains recognition and direct exposure to a statewide audience of WIC Directors and decision-makers, the very people who shape and purchase services for their agencies. It's a valuable opportunity to build relationships with the leaders who guide WIC programs across Texas.

Below you'll find our sponsorship levels. Every sponsorship includes your conference fees and a vendor table for two people. Need more seats? Additional tickets are available at \$200/person.
